MESSAGE FROM TPCA
REGION 3 PRESIDENT

Hi all!

We had a great time at Pest World 2011 in New Orleans. It was our first visit to New Orleans and we really enjoyed the historical parts of the city. As usual, we thoroughly enjoyed the speakers, classes and networking at the conference. We were also proud to be there to celebrate NPMA President

and fellow Tennessean from Sevierville, Ray Johnson of Johnson Pest Control. We had two phenomenal general sessions speakers. On Thursday we heard from Lt. Gen. Russell L. Honoree (U.S. Army, Ret.). He discussed New Orleans post-Katrina and how we can prepare and be leaders in our family and community in the face of the next disaster. On Friday, we heard an amazing, emotional presentation from FDNY Chief Picciotto about his experience on 9/11. He was the last highest ranking fireman to be rescued as he was on the 6th floor of the North Tower when it collapsed. These men set some great leadership examples and hearing their stories definitely reminds us to count our blessings and put our daily struggles in perspective.

I look forward to seeing you all in November. Remember to check out Region 3 TPCA and now TPCA pages on Facebook. Also, remember to invite a friend in the industry and share with them how they can benefit from our association.

Julie

TRAINING: This certification period ended on October 21, I hope everyone got their points.

Region 3 wants to thank Eric Ham of FMC, Corporation – Jerry O'Hara of Anstar and Phil Hurst of the TN Dept. of Agriculture for speaking at our Panic Attack School. We are very grateful to our Chemical reps and Distributors who continually support our educational efforts.

REGION 3 WINTER SCHOOL

Region 3 is working on the first class of 2012 which is scheduled for February 12. We are

working on speakers now and when it is all set the registration will go out.

Also if there are any topics you want to see at our schools or future meetings let Julie or Carol know so we can be research speakers and dates for these.

TN Dept. of Agriculture Apprentice Termite Technician Schools 17 points . I don't have the dates for 2012 yet but as soon as I do I will post them.

Go to our website for other classes not listed here. Meeting information, School information, scholarship info, links to chemical companies, info from the Dept. of agriculture: keep it on your favorites.
