A PROFESSIONAL
ORGANIZATION
FOR PROFESSIONAL PEOPLE

May 17, 2012

Our next Region 3 meeting will be held on Thursday May 17 at 6:00 p.m. at Santa Fe Cattle Co. on Music Valley Drive.

Guest Speaker:
Steve Sullivan of Bell Labs

From our Region 3 President:

Hello all,

It has certainly been a busy Spring with the mild winter we experienced in Middle Tennessee. We've also been pleased to see swarmers in our area again with our first call coming in at the end of January.

I have thoroughly enjoyed conducting meetings for you all

these past several months. I hope you have appreciated the speakers and gained some useful technical and managerial knowledge for your businesses. As I said in the beginning of my term, my goal was to bring a variety of speakers that might mimic some of what you would get from the NPMA level and I hope I accomplished that. I know some of our meetings have gone longer than usual and I appreciate all of you all for sitting through them!

This month we will hear from Steve Sullivan with Bell Labs. Steve spoke to us this time last year about the changes in rodenticide and I'm sure he will have some updates on that topic as well as some other interesting news. I've decided to end my term at this last meeting with just one speaker so we can maybe get done a little sooner. If you're like us, you've been so busy with work that any outside meetings that can be concise are refreshing!

Thank you all again for allowing me to serve you this term and I look forward to the leadership of Tom Dixon from U.S. Pest as he begins his term in July.

Kind regards,
Julie

P.S. Don't forget that we have a great summer conference lined up through TPCA. You should've already received e-mails regarding that but if you haven't, please let Carol or myself know so we can get you the information. Wilderness in the Smokies is a great facility and it will be a wonderful opportunity for you to combine work and pleasure - so bring the kids or grandkids and join us this summer!

TRAINING:

TPCA Summer Conference and Annual Golf Tournament July 26-27 at Wilderness at the Smokies, Sevierville, TN

Go to our web site for information and registration form under the TPCA tab
